

13th- 14th June 2025. W. Bros Kjell-Arild Vaage, Jason Fowler, Jacob Magnussen and Jerry Roberts and Bro Johan Nilsson of the Provincial Grand Lodge of Valencia, travelled to Madrid and were honoured to become founder members of the Grand Chapter of the Widows Sons Spain. Although a well-recognised world-wide association of Masonic motorcyclists, this was the inauguration of a Spanish Chapter, with a charter from the Grand Lodge of Spain.

On 9th & 10th August two of the Valencian Founder Members and wives, along with three other Valencian Brethren attended Estepona for a meeting and to bring in several new members of the Chapter, (Enchalecada). This included a guided tour of the Provincial Grand Lodge of Andalucia, conducted by the Deputy Grand Master of Spain, Shaun Parsons-Herrera, a meet and greet with members of the Widows Sons of Gibraltar, a group ride-out for members and guests, and a very social get together with founder members, guests and partners, and a number of potential future Widows Sons.

As part of weekend a number of Andalusian Brethren were inducted into the Widows Sons, and given their vests, or 'cuts'. The Deputy Grand Master of Spain, was made an honorary member in recognition of the considerable assistance he had provided in the organisation of the group.

It is anticipated that as membership increases a Valencian Provincial Widows Sons Chapter will be created.
